Service: That's what holding an FFA office is all about. Service means giving assistance to another or in this case, to the Limon FFA chapter for the benefit of fellow FFA members and community.

It is a distinctive honor to become a chapter officer, and with it comes many rewards and opportunities. As the leaders of this chapter, your emphasis will be developing and implementing activities promoting **Communication, Team Playing, Areas of Knowledge, Organization, Character, Passion for Success, Influence, and Critical Thinking** for everyone within the community.

If you are elected as an officer for the 2010-2011 term of service, this application will serve as a binding contract between the Limon FFA and the officer elect. Part of your score for the application will come from a written test of the Limon FFA Constitution and responsibilities of an officer.
