Limon School District

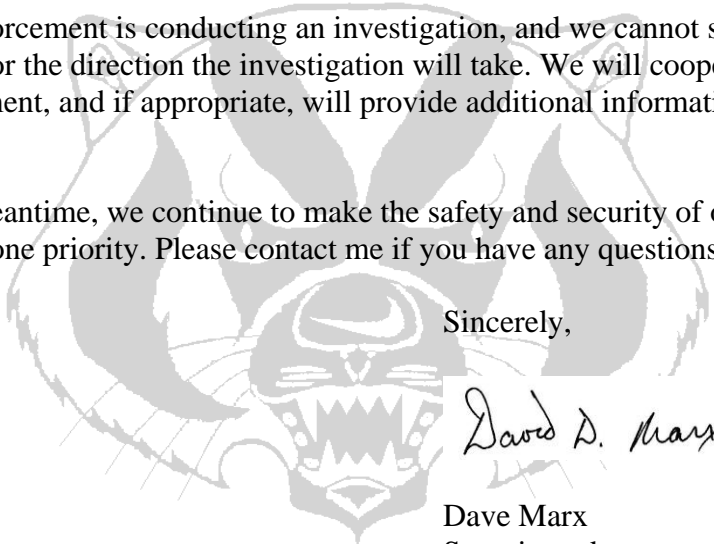

December 6, 2016

Members of the Limon School District Community:

As many of you know, one of our former teachers was arrested last week on charges of sexual assault on a child. The District learned of these allegations early last week when law enforcement brought them to our attention.

Law enforcement is conducting an investigation, and we cannot speculate about the charges or the direction the investigation will take. We will cooperate with law enforcement, and if appropriate, will provide additional information as we learn more.

In the meantime, we continue to make the safety and security of our students our number one priority. Please contact me if you have any questions or concerns.

Sincerely,

David D. Marx

Dave Marx
