That's why **Discovery Education** and **Toyota** have created the [TeenDrive365 Video Challenge](#), which encourages high school students across the country to create PSAs directed at their fellow teens, about the dangers of driving with distractions.

Last year, Matt P. and John C. from Olney, MD encouraged teens to drive distraction-free **For the Whales** and won First Place and \$15,000. So which talented teens will step up to win the Grand Prize in 2017?
